

Betty McIntosh –

Betty McIntosh, owner of the prestigious, Blue Lakes Farm is well respected as a breeder of quality speed horses. She was one of the pioneers of organized Quarter Horse racing in Indiana. Betty worked as racing secretary at the Indianapolis State Fair races as well as Wabash Valley Downs, the first AQHA approved track in Indiana. Without people like Betty working diligently to organize racing in Indiana, our organization would not be what it is today. We are honored to add Betty McIntosh to the QHRAI Hall of Fame.
