QHRAI Speed Sale Consignment Contract 2023

This contract is entered into between Seller (Consignor) and Quarter Horse Racing Association of Indiana, (hereinafter referred to as QHRAI) pursuant to the following terms and conditions:

1. An entry fee (as determined on front) shall be rendered to QHRAI with this Consignor's contract. This fee is not refundable. In addition to this entry fee, Consignor agrees to pay QHRAI a commission fee of 5% of the final bid recognized by the auctioneer or \$150 (whichever is greater) if the horse is sold to a bona fide buyer. Consignor may choose to set a reserve for his horse. Consignor is responsible for bidding to this reserve and for bidding on repurchases. Commission fees apply to repurchases. QHRAI reserves the right to publish the name of the final bidder.
2. Upon execution of this contract, Consignor agrees not to dispose of the horse by private sale. The horse will be offered to the final bidder. Consignor further agrees not to withdraw his horse except in case of serious injury or serious sickness. In the event of serious injury or sickness, Consignor agrees to notify QHRAI within 24 hours of discovery of such sickness or injury. If it becomes necessary to withdraw the horse due to serious injury or sickness, a notarized veterinary statement must be presented to QHRAI at least 24 hours prior to commencement of the first session of the Sale. The veterinary statement shall state the date the horse was first examined and should be specific as to the nature of the horse's problems. If the horse must be withdrawn due to injury, sickness or death, QHRAI will retain the entry fee described in paragraph one. There will be no substitutions allowed for horses withdrawn due to injury, sickness or death.
3. Consignor is the sole responsible party for the safety and well-being of his horse until the signing of the Acknowledgement of Purchase form by the final bidder is recognized by the auctioneer. Although QHRAI will make every effort to collect the purchase price, QHRAI is simply the Agent in this transaction. At no time does QHRAI have a pecuniary interest in this horse. The Consignor fully warrants clear title of the horse to the Buyer and thereby represents that there are no encumbrances against the horse. Consignor guarantees to Buyer full, complete and peaceful ownership.
4. This contract shall become part of QHRAI's file. Consignor agrees to receive the horse back as being unsold and shall forfeit entry fee if a qualified veterinarian determines that particular defects were not announced. (see page 1: cribber, cryptorchid, sight defect or bleeder.) In disputed cases involving the defects of a horse (identified above), QHRAI will have the sole right to appoint an expert who shall decide the fact at issue. The decision of the expert shall be binding on Consignor and Buyer. If the Consignor is determined to be at fault, he agrees to pay the examination fee. In case the horse is rejected by the Buyer as a result of misrepresentation by the Consignor and the rejections is sustained by the expert, the Consignor will pay the full commission owed and forfeit the entry fee.
5. QHRAI reserves the right to reject the sale of any consignment if it considers the horse unfit for sale. QHRAI also reserves the right to (a) determine the order of the sale of all entries, (b) assign stabling facilities as it sees fit, (c) change the time or date of this sale should unforeseen circumstances necessitate such a change, and (d) subject horses to examination by appointed veterinarian prior to sale. Said horse will be sold on his findings. Any horse found to be in unsatisfactory condition will not be permitted to sell (entry fee forfeited).
6. Each and every horse consigned to the sale must have a negative Coggins Test drawn within 12 months of sale date. All horses entering the grounds for this sale must have a satisfactory official health certificate within 30 days of the date of the sale for in state horses. All horses shipping in from out of state must have health certificate issued within 72 hours of the sale. All Health Certificates require a statement of Equine Herpes Vaccination (EHV-1) and date, administered a minimum of 14 days prior to the sale and no more than 180 days prior to the sale. **NO EXCEPTIONS.** All horses must have a negative piroplasmis test within 6 months of day of sale. The Consignor agrees to provide QHRAI with the original paperwork described herein on or before the sale day. **Track security will NOT let any horse in that doesn't present all of the correct paperwork.**
7. The Registration Papers if each horse must be furnished with a signed transfer of ownership by the Consignor. If for any reason the Registration Papers cannot be furnished, it is the responsibility of the Consignor to have this information announced by the Auctioneer. QHRAI will withhold settlement to Consignor for all sales until it receives delivery of Registration Papers, and any other necessary documentation in proper order. In the case of broodmares, all information required to register unborn foal will be provided by Consignor.
8. The Consignor agrees that he will be present in person, or have a duly authorized representative present, to make true representations concerning each horse (announcements at time of sale take precedence over all other representations, either written or verbal, and will be binding upon Consignor.)
9. QHRAI is authorized to decline any bid by intoxicated or disorderly parties, or by those who have defaulted on former purchases, or by any person who, in its judgment, is not a reliable or responsible party. And in case any purchaser fails to pay for and receive a horse struck down to him, QHRAI is authorized to accept the same amount from another person, or to accept the next highest bid, or it may if in its judgment it is in the best interest for all concerned, put the Horse up for sale a second time. QHRAI shall not be liable for any deficit should the final bid on resale be less than that on the initial sale. But in the case where a horse is not paid for fully in cash and/ or check, or should conditions make immediate resale as herein provided impossible or impractical, the Consignor agrees to receive it back as unsold, without attaching any liability to QHRAI.
10. QHRAI will settle with Consignor for property sold no sooner than 21 banking days after the last day of sale.
11. The laws of the State of Indiana will govern this contract.
12. All EIA (Coggins) laboratory certificates must have all the marking described and drawn on the certificates for International Shipments of Horses. Original Certificate, No Copies accepted! Only (1) one horse per certificate.
13. I represent and warrant that I have read the foregoing terms and conditions of sale and agree to abide by them, and have signed this contract with full and complete understanding thereof.

By signing below, Consignor (or Authorized agent) agrees that all information provided is accurate and true.
