

Horseshoe Indianapolis Race Course Stakes Nomination & Sustaining Form

*** Important Information Regarding Existing Out of Competition Rules - All horses nominated to stake races will be eligible for out of competition testing from the day of nomination. Several drugs were added to Out of Competition Testing including Cobalt, Zilpaterol, Ractopamine or any similar agent. If you have any questions about any of these rules, please refer to Indiana Code 71 IAC 8.5-2-5 and 71 IAC 8.5-3-4. You may also contact the IHRC at <http://www.in.gov/hrc/> or (317) 233-3120.

How This Affects You:

- Once a horse is nominated to a stake race, he WILL be in the pool of horses used for selection of Out of Competition Testing.
- If owner/trainer is contacted & notified their horse has been selected for Out of Competition Testing, that horse must be produced at track by the time provided by the IHRC.
- If the horse is not brought to the race track within the allotted time, the horse will be ineligible to race in Indiana for one year.

-Current trainer must be named at time of nomination -If there is a change of owner or trainer at any time, the new info must be forwarded to the QHRAI immediately.

If a nominated horse becomes lame, sick or for any other reason will NOT run in the trials or finals, he must be officially scratched through the QHRAI (prior to being contacted by IHRC) or he will remain eligible for ALL Out of Competition Rules. **All Payments must include this form.**
