

Fe Fe's Bug

This 1972 born stallion is one who definitely has left his mark on the Quarter Horse breed. Winning 9 of 23 starts during his racing career with over \$20,000 in earnings set Fe Fe's Bug up for a promising retirement at stud. He went on to sire several world champions and money earnings throughout his lifetime. We are honored to add Fe Fe's Bug to the QHRAI Hall of Fame.
