

# LOVEMELIKETHAT

February 1<sup>st</sup> of 2008 a filly was born to First Smart Stride by Likenothinyoueversaw for breeder Mark Michel, who knew the influence she would have on Indiana Quarter Horse Racing. Mark sold her as a yearling to Cooter Daniel to race and then once her race career was over, he repurchased her to use as a broodmare. Her stats speak for themselves, as a racehorse and as a broodmare.
